SECTION 1. A Commission of three persons, to be designated as the Compilation Commission, is hereby constituted and authorized to compile all the statute laws of the Territory of Hawaii as they shall exist after the adjournment of this session of the Legislature.

SECTION 2. In making such compilation, statutes obviously inconsistent with the Constitution of the United States or the Act to provide a Government for the Territory of Hawaii shall not be included, and of two or more statutes which are obviously repugnant to each other, the statute last enacted alone shall be included.

SECTION 3. Where two or more statutes or parts thereof overlap each other or substantially cover the same ground, the latter only shall be included.

SECTION 4. Where a statute is repugnant to the Constitution of the United States or the Act to provide a Government for the Territory of Hawaii in part only, it may be modified so as to conform thereto.

SECTION 5. Where a statute refers to another statute which has been repealed, and a subsequent statute has been enacted covering the same subject matter, the first named statute may be modified so as to refer to such new statute in place of such repealed statute.

SECTION 6. Mistakes of omission or erroneous reference to other statutes or other mistakes, obviously made through oversight or accident in the original statutes, may be corrected.

SECTION 7. Statutes may be modified so as to express the intention manifested in later statutes, either expressly or by clear implication; and, where any statute or any part thereof is obviously obsolete or redundant, such statute or part thereof may be omitted.

SECTION 8. The compilation shall include a complete index, and as a prefix the Act to provide a Government for the Territory of Hawaii; and head notes expressing the substance of each section of said compilation; notes stating briefly the date of the original enactment of each section and of the amendment or amendments thereof, if any, and where, if at all, the same is found in previous compilations; also notes citing decisions, if any, published in the United States Supreme Court Reports, the Federal Reporter, the United States District Court for the Territory of Hawaii Reports, the Hawaiian Supreme Court Reports and the Opinions of the United States Attorney General construing or relating to the subject matter of each section.

SECTION 9. Any departure or change in the letter of existing statutes made under the provisions of this Act, either by way of alteration or omission, shall be noted as near as may be to the statutes affected thereby.

SECTION 10. The said compilation shall be printed and bound and shall be presented by the Commission to the Legislature at its next regular session; provided, however, that when said compilation is completed the Secretary of the Territory shall cause such a number of copies thereof as to him may seem necessary to be printed and bound, which, when so printed and bound, may be furnished by him free of charge to Government officials for official use, and may be sold by him at Ten Dollars (\$10.00) a volume for the benefit of the Territory.

SECTION 11. The said Commission may recommend in a separate report such other changes not herein authorized to be made, in the said compilation, as it may deem advisable for the sake of clearness, consistency, brevity and efficiency.

SECTION 12. All the members of the said Commission shall be attorneys admitted to practice in the Supreme Court of the Territory, and one of them may be a Judge of the Supreme or Circuit Courts. They shall be appointed and commissioned by the Governor by and with the advice and consent of the Senate.

SECTION 13. The members of said Commission shall be compensated in the sum of Nine Thousand Dollars (\$9,000), and the said sum is hereby appropriated for that purpose.

The sum of Ten Thousand Dollars (\$10,000) is hereby appropriated for clerk hire and the printing of the compilation and the report as above described for presentation to the next Legislature.
